Description

Oil on canvas. French school of the mid-18th century. This Romantic-style landscape depicts a lush, verdant scene in which a soldier and a lady are engaged in a romantic encounter in the foreground on the right, while other figures in the distance provide the backdrop; in the background, a small town, illuminated by rays of sunlight peeking low from behind the clouds. The painting is on its original canvas. It is presented in a period-style frame. ARARPI0324649
