Description

Welcome to my shop. A charming porcelain perfume bottle depicting Pierrot sitting on a rounded bottle, holding a small mask in his hands. His white costume is decorated with black dots and outlines. The pointed yellow hat serves as the cap. The cork is wedged inside the bottle. I did not attempt to remove the stopper to avoid damaging it. Marked "Germany 7418" on the base. Probably made in the first half of the 20th century, during the Art Deco period. The manufacturer has not been identified. Height: 20 cm. Width: 10 cm. Please see the photos to assess the condition and details. Thank you for visiting my shop. Warm regards, Ben.
