### Description

An armchair produced in the 1980s by Ekornes, an example of Scandinavian design that combines comfort and functionality. Crafted in cognac-colored leather, this armchair stands out for its adjustable backrest, which allows you to find the ideal position for relaxation. The matching footrest completes the comfort experience, making it perfect for long reading sessions or moments of rest. The frame is sturdy and well-finished, characteristic of Ekornes' manufacturing quality--a brand known for its attention to detail and use of premium materials. This set is an elegant and functional addition to any living room, ideal for those who appreciate classic design with a modern twist. MOSEPO0324101
