

A Bottle Of Caron's "le Narcisse Noir" Perfume In Its Original Box From The Early 20th Century

250 EUR

Signature : Maison Caron

Period : 20th century

Condition : Très bon état

Material : Crystal

Height : du flacon 5 cm

Description

"Le Narcisse Noir" perfume bottle, with its original box, from the House of Caron. This bottle still contains perfume and is sealed with a thin gold thread. This perfume was created by Ernest Daltroff in 1911, the bottle is made of crystal from the Romesnil glassworks and designed by Julien Viard (1883-1938); the black cap is styled to resemble a daffodil. It is in its original black-and-gold box with the gold Caron label and is in excellent condition.
