### Description

This exceptional piece was created in their famous studio in Biot (Alpes-Maritimes) in the early 1990s. The vase features a magnificent color gradient ranging from an intense cobalt blue at the base to a very soft celadon blue at the neck. The body is adorned with a complex Art Nouveau-inspired botanical design, created using hot metal oxide inclusions that produce iridescent highlights and stylized vine and leaf motifs, with a scalloped or wavy neck. Signed and dated with a point under the base: "Guyot Aconito 10/14/92". Dimensions: Height: 18 cm | Max. diameter: 20 cm | Weight: 2 kg 100 Excellent overall condition. No chips, cracks, or restorations (see photos). Pascal Guyot and Bernard Aconito are two leading master glassmakers in the renowned glassmaking
