Description

Vintage American wedding band in 18-karat white gold and diamonds - 1.60 carats A true ray of light to wear every day... This vintage American wedding band, crafted in France in the 1970s, is a piece of pre-owned jewelry made of 18-karat white gold. It is entirely set with diamonds, precious stones in brilliant cut, for a total weight of approximately 1.60 carats. Each diamond, weighing approximately 0.10 carats and measuring 3 mm in diameter, is held in place by a delicate prong setting. When you look closely, there's a detail I love: around each diamond, the four prongs visually create a diamond shape. This small motif repeats all around the wedding band and gives it a lot of character. The ribbed setting adds texture and a beautiful character to this wedding band. This pre-owned piece of jewelry,
