Description

An elegant pair of "stacking bookcases" from the late 20th century a lovely pair of bookcases featuring two lower advanced sections that allow for storing large books and objects at the bottom and increase the stability of the bookcases. The bookcase has high and deep sections which is very interesting. A beautiful model that can be placed together to form a large bookcase or used separately. A bookcase with plenty of character, featuring metal hardware on the sides. The glass panels slide into the sections. It can serve as a bookcase or a display cabinet. In perfect condition with a beautiful patina. The bookcase matches perfectly into traditional and contemporary interiors. Delivery available in Belgium, France, and internationally. On display in our 2,500-square-meter showroom at 41 Rue Henri
