Description

An elegant Napoleon III sewing kit made of blackened wood, richly decorated with gilded motifs in the Japanese style. The lid features a central gold decoration depicting a lively scene set in a landscape, framed by foliage and floral motifs. The interior is divided into numerous compartments and shelves designed to hold sewing accessories. The piece rests on a blackened wooden base with crossbars, finished with carved legs. A lower compartment is lined with red fabric. A beautiful decorative and collectible item, particularly striking when opened. Dimensions: H. 66 × W. 59 × D. 40 cm Condition: generally good condition, with signs of wear consistent with its age.
