

Earthenware Plate From Eastern France

100 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Diameter : 22,5cm

Description

We present this plate featuring a stylish bird as the central motif and small flowers along the edges. It has a slightly scalloped rim, which is noticeable to the touch. It dates from the late 18th or early 19th century. Desilettes, Bois d'Épense? So perhaps it dates back a little earlier. In good condition, with two chips in the enamel along the rim. Shipping not included.
