Description

A mahogany cabinet in a nautical style, inspired by the design of Liverpool's famous THE GREAT ESTERN from 1811. This piece, made in England in the 20th century, features a recessed central section with three drawers and a pull-out compartment, as well as three shelves that are height-adjustable via a rack. The side sections each have a door and a drawer below. The recessed handles and flush vents enhance the clean lines of the design, while the brass trim and corner details add a touch of elegance and sophistication. The use of mahogany gives the piece a warm tone and timeless durability, making it an ideal addition to a classic and sophisticated setting. Product Condition: Due to its age and wear, this piece requires restoration and refinishing. We strive to present the actual
