

Solid Silver Soup Tureen

2 800 EUR

Period : 20th century

Condition : Très bon état

Material : Sterling silver

Diameter : 30

Description

I am selling this elegant antique silver-plated metal soup tureen, complete with its original lid. It features beautiful, intricate detailing, particularly on the handles, the rim, and the lid's knob. Its shiny finish and classic style make it a beautiful piece for the table, as a decorative item, or for a collection. Diameter: 23.5 cm--30 cm including the handle Weight: 1,575 g
