19th Century Alabaster Sculptural Group Of Bacchus And Ariadne

1 500 EUR

Period : 19th century

Condition : Bon état

Material : Alabaster

Diameter : 17

Height : 45

Description

Refined white alabaster sculptural group carved in the round, depicting the mythological couple of Bacchus and Ariadne. Inspired by classical and neoclassical statuary models, the work is distinguished by the grace of the fluid drapery and the translucent quality of the material. Good general condition, a slight lack to a finger and to the neck is reported, easily repairable. Dimensions: height 45 cm x Base diameter 17 cm.
