

Rose-patterned Earthenware Plate

140 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Diameter : 23,5 cm

Description

We are selling this plate with a rose design, which comes from eastern France: Niderviller, Deslillettes, or Lunéville? I can't determine where it was made. From the small decorations on the back, I can tell it's an antique, either from the 18th century or the early 19th century. In good condition. Shipping not included.
