260 EUR

Signature : Anonyme

Period : 19th century

Condition : Etat d'usage

Material : Solid wood

Width : 14

Height : 16

Description

Traditional carved wooden neck rest (neck support) or headrest from Ethiopia. It may have originated from various regions within the country; in this case, it appears to be from the Jimma region. The piece is adorned with geometric lines, all set against a beautiful and very old patina from years of use. Early 20th century. Height approximately 16 cm, width approximately 14 cm. A single, old wormhole (see photo). Formerly part of a private Belgian collection. An entire lot from the same source is currently for sale. Fast and careful shipping. Fast and careful shipping within 48 hours. Worldwide shipping, except to the U.S. for the time being, due to customs duties and clearance complications.
