Description

A pair of charming little privacy curtains (circa 1900), made from ecru-colored cotton fabric. The design features a center panel, scalloped ruffles along the bottom edge, and beautiful inlaid motifs--all crafted from Le Puy bobbin lace to lend refinement and elegance to this set. The fabric is of very high quality, and the antique work is beautifully hand-crafted. These small curtains have never been hung and are in perfect condition. The slightly ecru hue will gradually fade with each wash; we recommend washing them by hand or by soaking. Antique linens, washed and ironed. ? Buy this item on our website?
