

Yellow Gold Ring With A Round Citrine

1 100 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Diameter : 59

Description

An elegant 18-karat yellow gold ring featuring a round citrine at its center, with beautiful warm and luminous hues. The stone, highlighted by a yellow gold setting, lends this piece a refined, sun-like radiance. Weight: 8.13 grams. Ring size: 59
