Description

A rare, small antique fireplace made of solid walnut, dating from the 18th century, with an authentic character and timeless elegance. It stands out for its richly molded and curved lintel, adorned with delicate carvings, as well as its finely crafted console-style jambs, embellished with decorative motifs. The piece captivates with its beautiful walnut patina, harmonious lines, and period charm. A charming piece, ideal for adding a touch of authenticity and refinement to a traditional or contemporary interior. Period: 18th century
