Description

18th-century smoking table with wooden friezesSmoking table crafted with authentic 18th-century carved wooden friezes, restored and highlighted in a creation of great charm. The wooden elements, finely carved and weathered by time, are harmoniously framed by an elegant gilded iron frame that ensures stability and a sense of visual lightness.The clear glass top highlights the sculptural quality of the base, allowing the decorative details to be fully appreciated.A one-of-a-kind piece that combines history and contemporary design, ideal for classic, eclectic, or grand reception spaces.
