Description

Superb 18 cm high-relief medallion depicting General Kléber, distinguished by its finely executed modelling and chasing. Signed D. David and dated 1835. The reverse bears foundry mark of Ateliers Dartigues, Toulouse. These characteristics, together with its 18 cm diameter, are consistent with an early casting. Later editions are generally recorded with a diameter of 17.3 cm. Offered in as-found condition, retaining an attractive old patina which we have chosen to preserve. Unframed. Buy It Now: payment by credit card or PayPal. eclectic: while we do not claim specialist expertise, we have been in the trade for over 50 years. Hassle-free refund if you are disappointed. Invoice and certificate included with every shipment.
