Description

Antique valance in powder-pink fabric with appliqué medallions, adorned with cream-colored hand-embroidery featuring ribbons and floral garlands. The appliqué medallions are cut from antique fabrics and integrated into the composition, depicting tender pastoral scenes. This technique, highly prized in the 19th century, allowed embroiderers to enrich their work with delicate narrative subjects. Condition: the lined fabric is in excellent condition; the embroidery is perfectly preserved; the medallions are securely attached.
