

"arts & Sciences" Empire Clock

7 500 EUR

Signature : Vigier à Paris

Period : 19th century

Condition : En l'etat

Material : Bronze

Height : 52

Description

Large and impressive gilded bronze clock depicting the Arts and Sciences. Beautifully crafted, with finely chiseled bronze and original mercury gilding. The white enamel dial is signed "Vigier" in Paris. In very good condition; the clock's mechanism needs cleaning (it is in working order). Empire period; a Parisian piece dating from around 1805. TOP quality clock !
