

17th Century Spanish Table

4 000 EUR

Period : 17th century

Condition : Bon état

Material : Chestnut

Length : 160

Height : 80

Depth : 56,5

Description

A beautiful Spanish table made of solid chestnut (can also be used as a wall-mounted console table). It features three drawers along the base; the middle drawer has a secret compartment for hiding valuable items. Its tabletop is very thick and has a lovely patina ; it shows a few minor signs of wear that add to the charm of this sublime table. An awesome 17th-century Spanish piece. Length = 160 cm
