Description

A pair of lamps mounted with a pair of gilt-bronze candlesticks; the fluted shaft is made of patinated brass, dating from the Restoration period. These high-quality candlesticks with round bases are decorated with acanthus leaves; the original gilding is in very good condition. The electrical wiring has been completely redone with a gilded metal E14 socket and cotton wire; this does not affect the candlesticks. The cotton lampshades are new. Lamp height: 44 cm Candleholder height: 29 cm Base diameter: 12 cm Lampshade diameters: 19 cm maximum, 10 cm minimum; height 13 cm. Shipping available. We will respond to every email inquiry; please check your spam folder.
