Description

1950s Chest of Drawers An elegant 1950s wooden chest of drawers featuring clean lines and a warm, natural color that highlights the wood's grain. The piece features six spacious drawers, each fitted with two dark, geometrically designed handles, ideal for creating a pleasing contrast with the structure. The tall, slightly angled legs--typical of the 1950s style--give the chest of drawers a light and slender appearance. Ideal as a storage piece. It is in excellent condition with no defects, just slight signs of age. DIMENSIONS: Height 90 cm; Width 120 cm; Depth 52 cm;
