Description

Lalique crystal box lid, "Cactus" model, Art Deco 1950s. Created by Lalique, this model, known as "Cactus," stands out for its geometric aesthetic and its form inspired by nature, in keeping with the Art Deco style. This box lid is characterized by its pressed, frosted crystal body with a honeycomb pattern, accented by black dots at the center of the honeycomb bubbles, imitating the spines of a cactus. The container is missing but can be fitted to one of similar dimensions. Offered in Parisian perfume department stores at the end of the 1940's, this lid was part of a toilettries set in the same style; and is marked "Cristal LALIQUE Paris" on the side with its original label.
