In good overall condition Raymond Besse (1899-1969) was a French painter born in Niort who moved to Paris in 1916. He exhibited for the first time at the Salon des Indépendants in 1923 and subsequently participated regularly in the Salon d'Automne. He often depicted the northern suburbs of Paris--Saint-Ouen, Clichy, and Montmartre.? This oil painting depicts the snow-covered Pont Neuf, with the equestrian statue of Henry IV in the background and a barge moored in the foreground, beneath bare trees? The impasto technique is typical of his style; the winter light is rendered with thick strokes of white and blue-gray
