

Pen Drawing - Classical Mythological Scene (mars And Venus)

400 EUR

Period : 19th century

Condition : Bon état

Material : Paper

Length : 36

Width : 32

Description

A study in pen and black ink on paper, depicting a scene inspired by ancient mythology. The composition features two draped figures: a man seated in a pensive pose (evoking a warrior or a philosopher) and a woman draped at his side. On the left is a preparatory pencil sketch depicting the same subject.
