

Miniature Bronze Female Nude, Late 19th Century

170 EUR

Period : 19th century

Condition : Etat d'usage

Material : Bronze

Diameter : 3 cm

Height : 10,5 cm

Description

France, late 19th century. Bronze with a brown-black patina, resting on a circular plinth and a stone base. A small nude female figure in a natural pose, with her hips slightly swayed. The fluid rendering of the anatomy and the simplicity of the pose lend this statuette an intimate character. It was likely intended as a cabinet bronze.
