

Art Deco Chandelier - Maison Petitot

600 EUR

Signature : Henri Petitot

Period : 20th century

Condition : Très bon état

Material : Brass

Description

A beautiful modernist design from the 1930s, characteristic of French lighting fixtures from that period, in the spirit of the creations of Genet & Michon, Perzel, and Desny. The chandelier is in very good overall condition and works perfectly. It shows a few slight signs of wear and a patina consistent with its age. Dimensions: 51 × 25 cm
