

Romantic Scene On Porcelain By Madeleine Lamberts, Late 19th Century

750 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Width : 36

Height : 43

Description

An elegant painting on a porcelain plate depicting a finely rendered romantic scene. The composition shows a suitor offering a bouquet of flowers to a young woman, in a refined and romantic atmosphere characteristic of late 19th-century decorative painting. The plate is signed Madeleine Lamberts, an artist likely of Belgian or Dutch origin. The work is presented in its period wooden frame, which enhances its decorative and antique character. Period: late 19th century Artist: Madeleine Lamberts Technique: painting on porcelain plate Subject: romantic scene Condition: good overall condition Dimensions with frame: 36 × 43 cm Reference: 409
