

## Set Of Nine Silver Teaspoons, Lausanne, 19th Century

350 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

### Description

A set of nine small silver coffee spoons, of the "uniplat" style, with oval, slightly pointed bowls and spatula-shaped handles. The handles bear the engraved monogram "J.S.F.P." The pieces are hallmarked. The master's hallmark appears to read "F.G.," and a second hallmark may be that of Lausanne. Subject to confirmation of the hallmarks, the set can be attributed to 19th-century Lausanne silversmithing, possibly to the Gély Brothers. Presented with an antique case bearing a label from Lausanne. Total weight: 110 g.
