

Mothers And Children In The Village

1 250 EUR

Signature : À définir

Period : 20th century

Condition : Bon état

Material : Oil painting

Height : 65x55

Description

A magnificent oil-on-canvas painting without a frame. It depicts mothers and their children on a village street. The painting technique is very beautiful. Probably the work of a talented painter. Sold as-is, with its original patina and in its current condition. Very pretty color palette featuring flower-filled balconies. Size: 65x55 cm. A visually stunning painting!
