

19th-century Coffee Table

1 975 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Diameter : 124

Height : 79

Description

A round Restauration-style dining table, crafted from walnut and finished with a magnificent flamed walnut veneer. The radially veneered tabletop rests on a richly carved tripod base, adorned with classical motifs and featuring distinctly claw-shaped legs. A quintessentially French piece from the first half of the 19th century. Dimensions: 79H x 124ø
