### Description

French School, circa 1900 : "Les péniches," pencil drawing, 27 × 34cm. Signs of handling, small scuffs, one corner restored. Unfortunately anonymous, this drawing--with its masterful composition featuring Notre-Dame in the background--is rendered with the lively and precise touch of someone accustomed to capturing the essence of a subject from life. Please feel free to ask us for photos or additional information by email or phone. More photos and many other items are available in our Pau store and on our Proantic website.
