

Pair Of Louis XVI-style Wall Sconces Featuring A Chiseled And Gilded Bronze Dolphin, 19th Century

650 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

A pair of Louis XVI-style wall sconces (19th century) in chiseled and gilded bronze, featuring two light arms emerging from the mouth of a fantastical dolphin, surmounted by a neoclassical foliage and reed motif. The wall sconces are wired for electricity, but the electrical wiring must be inspected before use.
