Description

Antique Edwardian rocking chair with a "pressed back"Antique beech rocking chair with relief decorationThe plywood backrest and seat are both adorned with a magnificent pressed relief design, finely detailed, featuring an elegant motif of seashells and fansThe chair is adorned with elegantly curved armrests and characteristic turned wooden spindlesInstead of hand-carved wood, this elegant fan-and-seashell motif was pressed into the wood using a machine, under high pressure and at high temperature. This technique became very popular at the turn of the century (around 1900-1920), as it made the luxurious look of fine carvings accessible to a wider audience50 cm wide, 67 cm deep, and 90 cm high. Seat height: 41 cmSlight signs of wear due to its age add to its charmEarly 20th-century
