Description

A beautiful oil on canvas by Salomón Le Tropézien, depicting a luminous seascape with several traditional sailboats moored in a harbor at the foot of a lighthouse. In the background, the sea stretches all the way to the mountains beneath a sky of blue and pink hues. The work stands out for its particularly luminous and warm color palette, with beautiful reflections on the water and an expressive painterly touch. The presence of the sailboats, the lighthouse, and the mountains gives this composition a distinctly Mediterranean atmosphere. The painting is presented in a dark wooden frame that elegantly complements the artwork.
