

Pewter Chocolate Pot

150 EUR

Period : 20th century

Condition : Parfait état

Material : Tin

Description

We present this 20th-century pewter chocolate pot with its frother, which has likely never been used. The base is marked "étain d'art" (artistic pewter), "titre légal" (legal fineness), and "Made in France." The turned wooden handle and the frother are made of precious wood--I believe rosewood--and the finial may be made of boxwood or sycamore. Shipping not included.
