Description

A rare pair of Art Deco bookends depicting two stylized elephants, designed by George Nilsson for the Dutch manufacturer Gero. Crafted from silver-plated metal, the elephants feature bold geometric forms characteristic of the 1930s. Each bookend bears the "GERO HOLLAND" hallmark as well as the designer's "GN" monogram. A beautiful, complete set, sought after by collectors of Art Deco and Dutch design. Patina, wear on the silver plating, and slight marks consistent with age and use. Designer: George Nilsson | Manufacturer: Gero, Holland | Date: circa 1936 | Style: Art Deco | Material: silver-plated metal | Dimensions of each piece: H. 10 cm × W. 16 cm | Quantity: 2
