

Pair Of Gilded Bronze Candlesticks From The Louis XIV Period

2 800 EUR

Period : 18th century

Condition : Etat d'usage

Material : Bronze

Description

This pair of candlesticks stands out in particular for its very elaborate Bérain-style decoration, which was highly prized during the reign of Louis XIV. Its beveled shaft, adorned with palmettes on a guilloché background, tapers above a base with a scalloped outline. Friezes of ovals, shells, and interlacing patterns adorn the finely chiseled decoration. Louis XIV period Shows signs of use Height: 24 cm x Diameter: 14 cm
