Description

A very elegant pair of Vietnamese nightstands, crafted from dark exotic wood and richly adorned with mother-of-pearl inlay. The tops, with their undulating shapes, feature delicate scenes inspired by traditional Vietnamese motifs--including pavilions, foliage, trees, and birds--enhanced with iridescent mother-of-pearl. Delicate inscriptions in Asian characters complete the design. The structure is particularly refined, with a carved and openwork band featuring plant motifs, resting on four richly carved, curved legs. The contrast between the dark wood, the carving, and the shimmering reflections of the mother-of-pearl gives this pair a remarkable decorative presence. The design reflects the strong influence of Chinese art on Vietnamese furniture. A particularly elegant pair, suitable for
