Description

An expandable trivet...Made of silver-colored metal...With beautiful engravings on the visible parts...On six ball-shaped legs...For round or oval dishes...Very stable even when fully extended...The engravings and reliefs are of high-quality craftsmanship...A design I've never seen before...!!It's a beautiful, high-quality piece made of thick metal plates...By silversmith J. P. ...As soon as I find the silversmith's name, I'll note it down...In very good condition, just a few slight scratches from use...Weight... 1 kilo 45 grams
