Description

Original advertising poster published by the Socovel motorcycle brand in 1948.Unsigned color lithograph.Printed by Marci, 30 rue Bara in Brussels.The sheet measures 85 cm x 62 cm.Depicting a Socovel 200 cm³ motorcycle, production of which began in 1946.Note that the space reserved for the dealer's imprint in the lower right corner remains blank, as this poster was never distributed.The brand was founded in 1941 in Brussels by brothers Maurice and Albert de Limelette, and due to the gasoline shortage during the Occupation, Socovel designed one of the very first mass-produced electric motorcycles. Its name stands for "Society for the Study and Construction of Electric Vehicles." 1946: Back to gasoline. With the end of the war, production of electric models ceased.
