Description

Italian cabinet from the 1960s or 1970s. An industrial-style piece made of green lacquered metal. This single-door unit is constructed as a solid, non-dismantlable block, featuring excellent dimensions and proportions. The interior includes a hat shelf, a coat rail, and a clever side ring for holding umbrellas. The metal structure shows various signs of age and wear that only add to its charm. Suitable for placement in various areas of the home, this piece appeals to antique dealers and interior designers alike. Structurally sound and solid, it boasts a beautiful patina and is in good
