Description

An antique oval-shaped keepsake pendant made of banded agate, into which is set a yellow gold medallion with a glass panel edged in gold; it holds within it a miniature depicting a bouquet of flowers. The bail is made of yellow gold, decorated with black and white enamel, and attached to the agate by a gold ring with a scalloped base. Pendant sold alone, without its display chain. Period: 19th century Main material: yellow gold, 750 parts per thousand, 18 karats, eagle-head hallmark. Dimensions: Height: approx. 5.2 cm, width: approx. 2.7 cm, thickness: approx. 7 mm. Net weight: approx. 11.1 g. Authentic antique jewelry - French craftsmanship from the late 19th century. A small chip in the enamel near the bail, barely noticeable. Our opinion: This antique pendant can be worn on either side and
