Crystal Chandelier - 1940s

600 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Description

An elegant chandelier dating back to the 1940s, characterized by rich decoration featuring numerous hanging crystal elements. The multi-tiered structure is embellished with teardrops, prisms, and faceted pendants that lend the chandelier brightness and movement. The composition is completed by six light points arranged along the circumference. A highly charming decorative piece, suitable for both classic settings and contemporary interiors where it creates a refined contrast. Excellent overall condition, given its age; some wear and imperfections. The electrical system requires servicing and is not covered by warranty.
