

## Early 19th Century Pair Of Sèvres Porcelain Vases

5 000 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 30

Height : 52

### Description

Refined pair of blue Sèvres porcelain vases with painted gold details and gilt-bronze trim. The vases feature ribbon and curled handles, an octagonal base with geometric and floral decorations, and a leaf-decorated rim, all in gilt-bronze, lending a sense of elegance. The neck and body feature gold-painted backgrounds and details, featuring floral, plant, and geometric motifs. In the center and on both sides of the vases, four scenes are depicted, depicting figures around a tented encampment. This pair of vases exudes great taste and elegance, capable of furnishing any space with refinement. French Sèvres manufacture, dated to the early 19th century. Dimensions: H x DM 52 x 30cm
