Description

An antique necklace consisting of a thin, filed forçat-link chain that fastens with a spring ring. A partially chased motif depicting a coiled snake is held in place by the chain on either side. The snake holds a small cabochon-cut synthetic ruby in its mouth. Period: 20th century Main material: yellow gold, 750 parts per thousand, 18 karats, eagle's head hallmark. Pendant height: approximately 14 mm, width: approximately 13.8 mm, thickness: approximately 3.4 mm, chain width: approximately 1.3 mm, chain length: approximately 56.5 cm. Net weight: approximately 5.6 g. Antique jewelry--French craftsmanship from the early 20th century. Our take: Antique snake-themed jewelry is symbolic and represented devotion. The chain is long but can be shortened or fitted with an intermediate
