Description

Antique watch chain, a long antique gold necklace consisting of a jaseron-link chain that ends at one end with a large spring ring. A slide featuring a delicately chased serpent, whose head is adorned with rose-cut diamonds and cut red glass, holds the chain in place over two rows, with the chain passing through the animal's mouth. Period: 19th century Main material: yellow gold, 750 parts per thousand, 18 karats, weevil hallmark. Dimensions: Length: approximately 79 cm; chain link thickness: approximately 3 mm. Length of the slide: approximately 3 cm; width: approximately 12.6 mm; thickness: approximately 8 mm. Net weight: approximately 23 g. Authentic antique jewelry--French craftsmanship from the second half of the 19th century. Our take: This vintage long necklace can
