Description

Elegant 950/1000 silver tea and coffee set, consisting of a coffee pot, a teapot, a sugar bowl, and a milk jug, signed LAPPARRA, in the Art Deco style. The set features remarkable design with geometric lines and beveled edges, characteristic of the Art Deco aesthetic. The bodies, quadrangular in shape with subtly faceted corners, are topped with lids featuring concentric steps, finished with dark wooden handles whose polygonal shape elegantly echoes the beveled edges of the body. The wooden handles and elements provide a contrast to the silver's polished surface, while the spouts, with their clean, geometric lines, emphasize the modernist character of the set. The set thus offers a beautiful contrast between the precision of the silver and the natural warmth of the wood. The
